P.C.

1. When the matter was called out, none appears for the petitioners. It is the case of the petitioners that they have been allotted premises, however, those premises are in occupation of employees of the Bombay Labour Welfare Department. Considering that, in our opinion, the petition itself is not maintainable. It is for the Respondents to take steps in law which they are entitled to. Considering the fact that petition is already filed by the employees of Labour Department, this petition is disposed of.
